Dear Parents/Guardians

**Pre Planning Consultation – Proposal to Relocate and Enlarge Cornerstone
CE (Aided) Primary School**

The County Council wish to consult with you ahead of its proposal to submit a planning application to relocate and enlarge Cornerstone C of E (Aided) Primary School. The consultation will run from Monday 6 June to Friday 1 July. We would therefore like to invite you to a drop in session on **Thursday 16 June** at the **Cornerstone C of E (Aided) Primary School** between **3pm and 6pm**.

The proposed relocation and enlargement would allow the capacity of the school to be increased in phases over time to allow up to 90 places in each year group as required. This will eventually allow the school to cater for a total of 630 pupils across their seven year groups.

A statutory consultation process on the principle of school expansion concluded on Friday 4 March. The Director of Children's Services subsequently approved, subject to planning permission, the expansion of the school on Monday 11 April.

While this pre-planning event will provide you with an opportunity to look at the plans for the proposed works and discuss them directly with officers, you are also able to view the plans and comment on them at <http://consultations.hants.gov.uk/> from Monday 6 June and at the school website from the same date.

If you would like to comment on these proposals prior to the opportunities outlined above, please write to Martin Shefferd, Strategic Development Officer, Children's Services Department, The Castle, Winchester, Hampshire, SO23 8UG or by email to: strategicplanningunit@hants.gov.uk by Friday 1 July.

Director of Children's Services
Steve Crocker

You will of course have a further opportunity to comment on these proposals as part of the formal planning process.

The County Council has a statutory duty to provide school places and is committed to creating them where they are most needed.

Yours sincerely
