Don't delay,
call today!

Have you
a potential
'Nest Egg'
you didn't
even know
you had?

Did you **contract out of SERPS***
in the early 1980s?

*SERPS = State Earning Related Pension Scheme
now known as the state second pension

If you're unsure you need to contact
your local Beals office today...

If you were like many employed people during the
early 1980s that 'contracted out' of SERPS, you may
find that just a quick phone call to your local Beals
office very beneficial. **You could well discover that
you have a nest egg waiting for you.**

Now is the time to act!

With one phone call we will be able to ascertain
whether or not you made the decision to
contract out. For further information contact your
nearest Beals office today... **It could be one of
the best moves you ever make!**

If you think this applies to
you then e-mail me and I will
deal with your enquiry:
